

GENERAL INFORMATION

1. This directory has been prepared by Tennis West to assist tennis clubs, associations and others concerned with the establishment and/or maintenance of tennis facilities.
2. The directory is grouped alphabetically under each of the codes listed below. The information includes the name of the contractor/supplier, address, contact name, landline and mobile telephone numbers.
3. The directory does not imply that Tennis West's approval has been given to any organisation or its products. Other contractors who would like to be listed are invited to contact Tennis West on (08) 6462-8300.
4. Other suppliers/contractors may also be easily located in the current edition of the Yellow Pages.

CODES
