	each round robin match	each placement match	Semifinals	3rd/4th place	Finals	max. possible points
Singles 1	35	35	45	60	75	390
Singles 2	25	25	35	50	65	300

The summary of the Team singles and Team doubles matches in the Team ranking list will be calculated with **50%** only for the Singles and Doubles ranking lists! The results after the calculation will be rounded up.

Dead rubber is a term used in sporting parlance to describe a match in a series where the series result has already been decided by earlier matches. The dead rubber match therefore has no effect on the winner and loser of the series, other than the total number of matches won and lost.

General note:

- The ranking points will be used for the period of four years or after the decision by the ICSD Tennis Director
- Results of the Doubles and Mixed Doubles will be listed in the Doubles rankings.
- In individual tournaments only K.O. system will be accepted for ranking points! Robin rounds will not be accepted!
- In the K.O. system with max. 8 participants only **more than four** (4) participants will be accepted for ranking points!
