# PRIDE

AO Pride Day is the Australian Open’s opportunity to be loud about our values of being welcoming and inclusive for the LGBTQ+ community. We know some members in the LGBTQ+ community have not historically felt safe and included in sporting environments and we are committed to changing this narrative.

Pride Day is our chance to brighten up the AO in rainbow colours as well as offer a range of activations to show our support for the LGBTQ+ community. We will also be launching the AO Finals Festivals at John Cain Arena which will include LGBTQ+ Artists who will rock your socks off!
