

# 2019 ANZTHS Todd Woodbridge Cup

The exciting introduction of the ANZTHS Todd Woodbridge Cup, specifically for students in grades 3 & 4, is not just about selecting the best students, but encouraging participation, providing a positive experience playing tennis, growing friendships and giving students the opportunity to represent their school in a team environment. For the majority of students, this may be their first experience representing their school.

The ANZTHS Todd Woodbridge Cup is a red ball competition, using low compression balls on a modified tennis court. Students play both doubles and mixed doubles matches.

- Each team is made up of 8-10 students: 4 boys and 4 girls with an optional 2 substitutes
- Schools can enter multiple teams (1 teacher per 10-30 students)
- Students do not need previous experience playing tennis - the event encourages participation, teamwork and a positive experience in physical activity
