

CLUBSPARK

What is ClubSpark?

ClubSpark is a venue management platform that Tennis NSW members can access for free with the support of our Tennis Development Officers. The ClubSpark platform enables tennis clubs and venue managers to streamline their administration and reduce the workload for volunteers. The platform has been designed to allow individuals to manage and communicate with customers, organise facilities and build insights on facility utilisation and finances, all from the one place!

ClubSpark makes offering tennis online easier

Reduced club administration and volunteer burden

Create and sell flexible membership packages and send renewal notices

Keep track of members and casual bookers

Create and manage events and programs

Promote your club or venue online with fully responsive & easy to edit website

Accept player bookings anytime & anywhere

ClubSpark
