

## ***PARENT RESPONSIBILITIES***

---

- Praise, encourage and support your child, but do not instruct/coach during games
- Be a positive role model: be aware of how you act and what you say
- Be supportive of the club junior coordinator and your child's team manager (if applicable)
- Support the Venue Supervisor and respect their decisions, do not argue with them
- Let your child call the score and make their own line calls
- It is the player's responsibility to keep track of the score, not their parents or anyone else
- Be aware of the club's Venue Supervisor and Team Manager roles (if applicable), as well as other club policies and guidelines
- Remember that junior tennis competition is a FUN environment!
- Poor behaviour spoils everybody's fun!
