SUPER JDS

What was it?

The Super JDS series was created to unite key stakeholders within each region through an enjoyable event centred on positive values and fostering future collaboration opportunities.

This year's event spanned six regions across Queensland, offering players, parents, and coaches a platform to connect, develop, and engage in meaningful discussions about tennis in their local communities.

Each two-day event followed a focused theme, with the serve and the return of serve taking centre stage. Day one featured a camp with tactical and technical coaching, while day two introduced a team competition that reinforced the tactical theme and awarded bonus points for tactical execution, promoting ongoing player development. Physical testing was also incorporated to assess and improve players' overall performance. In addition, parents and players took part in engaging sessions, including Pop Tennis, barbecues, and a parent Q&A on day two, fostering a sense of community and connection.

The player awards were inspired by successful Queensland professional players who embody the positive values we hope to instill in the next generation.

This year's event was a resounding success, bringing everyone together for two days of enjoyable tennis and development.

Applauding your consistent display of superb sportsmanship, fairness, and respect towards opponents throughout the weekend.

NORTH REGION

16-17 March 2024

“Honestly, this was an incredible event. NQ often misses out on events like this and it was amazing to see all of the players come together on an even level and enjoy learning and playing today.”

- **Parent Feedback**

“This was a great way to mix things up and gave the kids a great opportunity to have fun with their friends from around the region without it all being about winning as the only thing on the agenda.”

SUNSHINE COAST REGION

4 May & 29 September 2024

“The parent session was wonderful and it was nice to have the opportunity to discuss and give feedback from a parents perspective.”

- **Parent Feedback**

“It was a great event and a good way to unite all the kids from the area. Throughout the year, they have developed friendships despite competing against each other frequently, which is a great part of sports in general. We look forward to it again next year! Thank you to all the officials and coaches. Their input was invaluable, and again it was great for the kids to be coached by different people.”

GOLD COAST REGION

15-16 June 2024

“My Words cannot express the Significant Lasting & Timely positive Impact this 2 Day Super JDS event had on our small household of three generations of women. Well executed 2 days with a professionalism from Tennis QLD that only re-ignites the advocacy for the Sport, and for the Team, Leaders, Staff, Coaches, and long hours not always visible that has gone on behind the scene to make it all possible...My daughter cannot wait till the next camp!

- **Parent Feedback**

“It was a really nice event I thought. Well thought out and well run and nice to have something where the kids can learn in a competitive environment”

SOUTH REGION

7-8 September 2024

“It was a wonderful experience for the kids to come together, learn new techniques and most importantly work as a team making it less about their individual performance and more about trying the new things they learnt day one in a fun environment. It was nice to hear as a parent from Tennis QLD regarding ways to support our kids and continue their love of the sport”

- Parent Feedback

“Very grateful for all the team of TQ/TA that came to the region and held such a fun and valuable event. All the kids I spoke to had a great time so thank you very much. ”

“The kids loved the weekend, really enjoyed the content and being challenged to try new things. As a parent, I enjoyed watching the coaching and strategy sessions. The highlight for me was the parent session and the ability to ask questions to knowledgeable and experienced coaches.”

- Parent Feedback

“My kid loved it, he had fun and learnt new skills, definitely wanna be back next year again. Also, the parents' workshop was useful.”

Feedback

"I was extremely impressed with the concept and set up of this event- allowing young people to enjoy tennis with more emphasis on team and individual growth of the whole player (including confidence building) and less emphasis on being the best tennis player there. Exactly what I wanted for my son.

The coaches were nurturing and fabulous and there was careful consideration to teams and playing ability. I think this event will have positively impacted attitudes and atmospheres of future tennis tournaments. More of these please"

Parent Survey Feedback (1-5 stars)

Thank you!

A huge thank you to the 6 regions, the 256 players and their parents, the 45 coaches and the 6 venues who all showed incredible hospitality in helping to deliver fantastic weekend experiences through the year. It takes a big collaborative team effort to deliver these events, so a massive thank you from both the Tennis Queensland and Tennis Australia teams.

A special mention also to the Queensland Department of Tourism, Innovation and Sport for their exceptional and unwavering support.

We look forward to seeing you all again next year, with a new theme and new name!

**New theme with a new
name for 2025!**
