ANZ Tennis Hot Shots
New York Slam

As the pros take on the hard courts of New York, we are having our very own ANZ Tennis Hot Shots New York Slam right here in South Australia!

The ANZ Tennis Hot Shots Tournaments are a chance for children to be introduced to tournament play in an exciting and fun environment.

Children will compete in short timed sets allowing for multiple playing opportunities against different opponents. Appropriate sized courts, racquets and low compression balls will make it fun and easy for participants to compete.
