

TOURNAMENTS WORKSHOP #3

ANZ Tennis Hot Shots Tournament Directors

A key focus area for the Tennis SA Tournaments Team in 2017 is to further clarify and streamline our Tournaments Pathway, along with improve the consistency and quality of our sanctioned tournaments across the board.

In line with this, ANZ Tennis Hot Shots Grand Slam Tournaments will be sanctioned out for the first time in 2017. Join Breanna Hassam, Tournaments Coordinator, to learn the ropes of an ANZ Tennis Hot Shots Grand Slam Tournament at our ANZ Tennis Hot Shots New York Slam.

Please note that this is a compulsory session for Tournament Directors interested in hosting an ANZ Tennis Hot Shots Grand Slam Tournament at their venue in 2017 and some pre-reading will be required. This session will not cover the basics of Tournament Planner and participants may wish to attend the Beginner Tournament Director workshop in addition to this workshop.
