

TOURNAMENT CONDITIONS

1. This Championship Tournament will be conducted under the rules of the ITF and Tennis Tasmania, and is entirely under the management of Tennis Tasmania.
2. The tournament is open to all players who are 35 years or over. Players must attain the minimum age for each event by 31 December 2015.
3. A player must be a current financial member of a recognised Seniors Tennis Association or registered tennis club affiliated with Tennis Tasmania.
4. Each player is limited to one singles event, one doubles event, and one mixed doubles.
5. Each player must submit an entry form and tournament fees. Payment can be made by Cheque (payable to Tennis Tasmania), by Credit Card (phone 03 6108 8200) or EFT payment to Tennis Tasmania (BSB 063-010, Account number 1133 3440). Players can also enter online at www.tournaments.tennis.com.au
6. Main-Draw singles events will be best of 2 tie-break sets, with a match tie break to 10 to be played at a set all. Final - 3 full tie break sets.
7. Four or more entries must be received in an Event to guarantee the running of that event; otherwise age groups may be combined.
8. Players who are defeated in their first singles match and who wish to play in a consolation singles event must register with the Tournament Director immediately after their first match. Age groups may be combined, depending on number of players entered. Consolation matches will consist of two short sets to four, no AD scoring, and match tie breaker to decide third set.
9. All doubles events will be conducted in a round-robin format. Combining age groups may be needed in some doubles and mixed doubles events. Round-robin events with more than 5 teams will be divided into 2 groups leading to a final between group winners. All matches will be best of two tie break sets, no AD scoring, with a match tie break to 10 to be played at a set all.
10. Doubles entrants are expected to name partners. If entering "Partner Required", the Tournament Director will attempt to allocate one, but does not guarantee to do so.
11. It is the players' responsibility to ascertain their match draw, and be ready to play at those times. A player is subject to forfeiture if not present at the designated time.
12. The referee or his nominee is the sole judge whether a match is to be postponed or discontinued. This match is to be resumed from the point at which it was discontinued, at a time and place decided by the Tournament Committee.
13. Should any dispute arise on matters not included in these Tournament Conditions, and not left specifically to the umpire or referee, the matter will be referred to the Tournament Director, whose decision is final.
14. Umpires may be appointed by the referee, his nominee or by the Tournament Committee, but there is no obligation for them to do so.
