

Consent to third party request to receive energy usage data

Retail customer

This is a consent form for the purposes of Rule 7.7(a1) of the National Electricity Law, the *Privacy Act 1988* (Cth) and other applicable legislation. By signing and submitting it, you give AusNet Electricity Services Pty Ltd (**AusNet Services**) permission to disclose to the Customer Authorised Representative named below energy usage data relating to your metering installation in accordance with clause 7.7 of the National Electricity Rules. You acknowledge and agree that AusNet Services is not providing any products, services or advice to you in relation to your energy usage. AusNet Services takes reasonable steps to ensure data is consistent with market metrology standards. You acknowledge and agree that any data which AusNet Services discloses to the Customer Authorised Representative has not been verified beyond these standards and use of, or reliance on, the data is entirely at your own risk.

AusNet Services does not warrant or represent that:

- the data provided by AusNet Services will match data provided by a retailer or from any other source;
- any products, services or advice provided to you by the Customer Authorised Representative will reduce your electricity usage or the amount of your energy bill or achieve any other objective or outcome; or
- the Customer Authorised Representative has in place systems, policies, process or procedures that comply with applicable privacy legislation.

By signing and submitting this form, you accept these risks and you accept responsibility and liability for any use of, or reliance on, the data, and receipt or performance of any related products, services or advice, by you, the Customer Authorised Representative or a third party.
