LIVE-IN CAMP
JULY 8th – 10th 2016

Junior Nominations

Tennis West are pleased to announce that nominations are now being called for the 2016 Women in Tennis Active Girls & the D'Arcy Slater Boys Live-In Camp.

Tennis West, the Women in Tennis Committee and the D'Arcy Slater Foundation are proud to support this opportunity available to country juniors only. The purpose of this camp is to provide coaching and social opportunities for junior tennis players from country Western Australia.

All Zones are invited to nominate junior members who they believe will benefit from this opportunity. The attached player nomination forms are to be completed and forwarded to Tennis West by **Friday 10th June 2016**. Please note that the form is merely a nomination and there are limited places for the camp (40 boys and 40 girls). Tennis West will notify the participants of their selection and all relevant forms will be sent to confirm their attendance in the camp.

In the case of more nominations than places, Tennis West reserves the right to make the final decision. Zones that have a large number of nominations, preference will be given to the older players. Those who have just missed out on a place in this year's camp will also be notified and will be put onto a reserve list in case any places become available.
