Course Information

TENNIS AUSTRALIA CLUB PROFESSIONAL COACHING COURSE (LEVEL 2)

A Club Professional coach is able to plan and deliver a range of coaching programs for beginners through to advanced players across the lifespan. These coaches have expertise in a number of areas including: developing players, planning and delivering competitions and managing a business.

Club Professional coaches may work a variety of roles at clubs, centres, schools or academies. Some coaches work primarily on-court in a coaching role. Others are Head coaches, leading a coaching team, combining on court coaching with off-court responsibilities. A number of Club Professional coaches focus on developing Talent Development players. Others are Business Operators, managing a business and/or a venue. The Tennis Australia Club Professional Coaching Course (Level 2) prepares coaches to perform these roles.

During the course, participants will further develop their ability to plan and deliver coaching sessions with an increased emphasis on developing tactical skills and analysing and correcting technical skills of players. The units will also provide participants with the tools to engage and retain their customers, manage their own well being and to prepare to manage a small business.
